

Introduction and Campus Priorities

As a campus, F. J. Scott Elementary looks forward to welcoming students back to school on August 24. Despite the challenges with COVID-19, our campus will continue our commitment to student excellence. We pledge to continue providing our students with optimal learning experiences. These will include both in-person and remote learning environments. As the public health crisis continues, we have been planning for the opening of the 2020-21 school year with a focus on the health, safety and well-being of our students, teachers, staff and families.

While F. J. Scott Elementary is planning for two different instructional environments, our plan follows recommendations for school opening and operations provided by the Centers for Disease Control and Prevention (CDC), the Texas Education Agency, and state and local health officials.

The situation with COVID-19 is continuously changing, as are the protocols and measures needed to keep students and staff safe. Plans will remain flexible to accommodate potential changes and these guidelines may be modified as needed. As adjustments may be necessary throughout the coming school year, it will be our priority to keep the community informed of those changes and updates. The F. J. Scott Elementary website will provide you with the most up-to-date information.

Our planning process has continuously evolved around new information and guidance that we receive from the state. Our Advisory Group has planned with the following key priorities and focus areas in mind:

KEY PRIORITIES AND FOCUS AREAS

- ▶ Public Health and Safety
- ▶ Instructional Continuity
- ▶ Maintaining Workforce
- ▶ Parent Choice
- ▶ Equity
- ▶ Innovation
- ▶ Communication
