

Recess/Playground

Administrators will provide training to staff members on guidelines and procedures associated with outdoor play and student activities. Administrators will develop a schedule for students to access the playground equipment. Teachers will monitor students to ensure safety guidelines are followed. Campuses will consider limiting the number of students per recess group. Staggered schedules and consistent cohorts will be utilized. (Allow small groups of students to play together? Develop structured games that take into account social distance protocols?)

Guidelines for Outdoor Play

- ▶ Students will wear masks during outdoor activity unless maintaining 6 feet of social distancing. Students must maintain social distancing while lining up to return to class and sanitize or wash hands before re-entering.
- ▶ All students and staff will be required to wash their hands or use alcohol-based hand sanitizer before entering the playground and upon exiting the playground.
- ▶ While in the classroom, brain breaks and “mask breaks” will be implemented as needed, at the discretion of the campus/teacher.
